Dear Parents and Carers,

Welcome back

Welcome back to the final term of the 2015 school year. I hope you all enjoyed a safe and happy break and were able to spend some quality family time together.

It will be a very busy term, with a wide variety of activities taking place. Year 5 and 6 excursions, 2016 Kindergarten transition, Clubs, the swimming and water safety program, Year 6 farewell, Presentation Day and Semester Two reports are just a few of the items on the agenda.

P&C meeting

The next P&C meeting will be held on Wednesday 14th October at 6:00pm in the staffroom. Existing and new members are most welcome to attend.

Thank you for your support and have a wonderful week,

Danielle Haywood
Principal (Relieving)

Clubs – Parent/Grandparent Volunteers

We are in the process of organising our ‘Clubs’ activities for this Term. Clubs are an opportunity for children to gain experience in an activity they may not normally have access to.

Each teacher teaches a club but we are asking for parents or grandparents who have skills they would like to teach the children eg. Drama, art, sewing, cooking, craft, gardening, music, environmental studies.

Clubs will take place in Term 4 on Wednesday afternoons between 1:50 and 3:00. The dates will be 28th October, 4th November, 11th November and 18th November (Weeks 4-7). Volunteers can put a limit on the number of children in their group and all reasonable costs will be covered.

If you would like to volunteer to run a Club or would like further information please contact Peter Towner on 6684 2373 or email peter.towner@det.nsw.edu.au as soon as possible.

Children really enjoy Clubs and look forward to making or being involved in new interesting and varied activities.

Tropical Fruit World

Kindergarten and Stage 1 recently went on an excursion to Tropical Fruit World. They experienced a plantation safari, fruit tasting, fed the animals at the fauna park, went on a wildlife boat cruise, rode a miniature train and had lots of fun playing at treasure island. It as a fantastic way to finish off our Paddock to Plate unit of work.
