Dear Parents and Carers

Staff Development Day

As communicated in the newsletter there will be a variation to the Term 3 Staff Development Day this year. The Staff Development Day has been rescheduled to Friday 29th May (Week 6, Term 2). THIS IS A PUPIL FREE DAY and students DO NOT attend school on this day.

Our Community of Schools has been able to engage an international presenter Ian Jukes to deliver a day informing us about 21st century learning for our students in their current learning environment. We will also be work-shopping ideas and creating units of work that integrate this new learning into our everyday practise. Ian is an educational speaker from Canada and is well versed in the 21st Century fluencies and their role in preparing the digital generation, our children, for the future. He has presentations in Sydney and Brisbane and we have been able to book him in between these two sessions. This day will replace the pupil free day usually scheduled for the beginning of Term 3.

2016 Year 7 Summit Class

Please note that applications are due to the office by no later than this Wednesday 27th May.

Applications are available at the office and for your convenience the information sheet and application are also attached to this newsletter. Further information is available from MHS on 66842600 or online at: [http://www.mullumbimb-h.schools.nsw.edu.au/years/yr-6-7-transition](http://www.mullumbimb-h.schools.nsw.edu.au/years/yr-6-7-transition)

POSITIVE BEHAVIOUR FOR LEARNING (PBL) AWARD WINNERS TERM 2 WEEK 5

Congratulations to these students for demonstrating respect to self, others and the environment.
Legends of League
I had the pleasure of accompanying year 3 to 6 boys who represented our school last Monday at Byron Bay Recreation Grounds in a round robin series of Rugby League seven aside games. The boys were coached and supported by two of our parents Rod and Andrew, and their time and effort was much appreciated. It is always so rewarding to see our students working together, supporting each other and sharing in a positive experience that will help develop ongoing social and learning skills and strategies.

Canteen
Due to a change in our Term 3 Staff Development Day moving to this Friday our canteen day has also changed. The canteen will still open this week but on THURSDAY as Friday is a Pupil Free Day.

Valley Fest
Our students have a wonderful opportunity to be involved in our combined schools presentation called ‘Valley Fest’. An expression of interest note went out last week and we have had a great response back. The purpose of this note was to establish an understanding of the commitment involved when students agree to participate in events that cover a range of activities leading up to the final performance. Please discuss this commitment with your child before returning the note.

Have a great week.
Danielle Haywood
Relieving Principal

PSSA District Rugby Union Trials
The school would like to congratulate Jake Davies and Yoshi O’Neil for making the Brunswick Valley PSSA District Rugby Union side last week. Jake and Yoshi will now represent the Brunswick Valley District at the FNC Rugby Union trials to be held on June the 2nd at Dave Burns Field, South Tweed Heads.

Boys PSSA Soccer Knockout
On Friday the 15th of May the boys PSSA soccer team travelled to Bangalow to play Ocean Shores P.S, Bangalow and Byron Bay in our 2nd and 3rd Rd PSSA knockout games. A beautiful day greeted the boys and the ground was in awesome condition. The boys played excellent football in the first half and although having a few chances on goal just couldn’t quite get the ball in the back of the net. In the second half Ocean Shores P.S really dug in and played some great football, however with the wind behind us and some fantastic play the chances came, unfortunately hitting the post didn’t count and extra time was needed. The next 10 minutes was riveting, and all that was needed for Hani and Zahi was a bit of space and excellent skills to place a couple in the back of the net, Mullumbimby won the game 2-0. We then had to take on Byron Bay PS in the 3rd round and both teams played with brilliant skill and team work. With the boys down 2-0 and legs getting tired, Tykon put away a fantastic goal leaving the score 2-1 and our team with a great chance to progress into the 4th round. Unfortunately the boys went on to lose 4-1, however they demonstrated awesome sportsmanship and great skills. I would really like to thank all the parents for their transport, support and help during the day, because without you days like this cannot take place.

Cheers, Mr Lindsay

**CANTEEN NEWS**
**UNIFORM SHOP NEWS**

**THURSDAY:** This week only. NO SUSHI this week only.

**ASSISTANTS:** Vanessa Diehm

Open Wednesdays 8:30am to 9:15am. Donations of second hand uniforms greatly appreciated. School hats $5.00 each available from the front office as well.

‘Saving Lil and Archie’
The show ‘Saving Lil and Archie’ performed by Brainstorm productions, was a fabulous way of exploring issues surrounding well being and technology use at home. The performance illustrated issues such as what is appropriate viewing on the internet, how much screen time should kids get and what to do if you are experiencing cyberbullying.

It also explored how to be a ‘balanced’ individual with an emphasis on being able to deal with emotions through communication or exercise. All this was told through an interesting storyline with loads of humor.

Jacqui Pick

PSSA Girls Soccer
Congratulations MPS PSSA Girls Soccer Team! A huge win against Brunswick Heads 5-0.

A great effort in training over the last two weeks, it really paid off.

Jacqui Pick

ENVIRONMENTAL HERO AWARD

Congratulations to these students who respect our environment by working tirelessly as Waste Warriors.
KIDS EDUCATIONAL PAGE (KEP) 2/3J

2/3 J is learning about the ROCK CYCLE

We have examined sedimentary rocks and we learnt that the Kata Tjutas in NT are sedimentary. Rocks like pumice, obsidian and basalt are igneous rocks, which means they are volcanic. Rocks and landforms never stay the same, over millions of years igneous rock can become sedimentary rocks. It is exciting to see the enthusiasm and knowledge our budding scientists in 2/3 J have shown. Next week we will be making volcanoes in the sandpit. Watch out MPS there may be lava coming your way!
Congratulations to our first students to receive Bronze Awards! All students listed below receiving their Bronze Award today have earned 60 points through their positive behaviour. This is an exciting new aspect to our PBL reward system and I am looking forward to awarding many more Bronze Awards over the year. The next level after Bronze is Silver Award. As students continue to make positive choices and be rewarded with 60 more points they will have the opportunity to receive a Silver Award.

Cupcakes for Cancer

This term the SRC is supporting The Cancer Council and we are holding our own version of “The Biggest Morning Tea”. On Thursday, 4th June, the SRC will have a “Cupcakes for Cancer” day and this year it is the students in Stage 3 who will be asked to supply the cupcakes. These will be sold at lunch time and all proceeds go to The Cancer Council. Cupcakes need to be clearly labeled with all ingredients. Thank you for your support. Lorraine Marshall
